# JASIM ABDUL LATHEEF

Aspiring Data Analyst

jasimabdullatheef7@gmail.com +91 9567119428 Kannur, Kerala, India

linkedin.com/in/jasimabdullatheef github.com/jasimabdullatheef

## Summary

Aspiring Data Analyst with a B.Com Finance background and specialized training in AI-Driven Data Analytics. Skilled in data cleaning, exploratory data analysis (EDA), statistical analysis, and data visualization using Excel, Power BI, SQL, Python, and R. Experienced in analysing datasets, identifying trends, and developing data-driven insights to support business decision-making.

## INTERNSHIP

**Data Analytics Intern,** *SkillFied Mentor* 08/2026 – 09/2026

- Applied data analytics concepts to assigned tasks, demonstrating analytical thinking and problem-solving.
- Developed practical understanding of data analysis workflows, data interpretation, and reporting.
- Strengthened analytical and professional skills through assigned internship activities and continuous learning.

**Virtual R Data Analyst Intern,** *YuvaIntern* 07/2026 – 08/2026

- Applied R programming for data cleaning, exploratory data analysis (EDA), statistical testing, and visualization.
- Analysed datasets to identify patterns, examine relationships between variables, and interpret statistical results.
- Prepared structured analytical reports and translated findings into meaningful, data-driven insights.

## Certificates

**AI Driven Data Analytics**
Illinois Tech Chicago, NSDC & Entri | March 2026

- Developed analytical skills using Excel, Power BI, MySQL, and Python.
- Learned data visualization, data manipulation, and data-driven decision-making techniques.

**Virtual R Data Analyst Internship — YuvaIntern**
Certificate of Experience | Issued: August 2026

- Gained practical experience in data cleaning, exploratory data analysis, and visualization using R.
- Developed an understanding of statistical testing and analytical techniques.
- Strengthened skills in interpreting results and preparing structured analytical reports.

**Data Analytics Internship — SkillFied Mentor**
Certificate of Internship | Issued: September 2026

- Completed a one-month internship in Data Analytics.
- Strengthened analytical thinking, problem-solving, and professional skills through assigned activities.

## Projects

**Telecom Customer Churn Analysis**, *GitHub*

- Analysed telecom customer data using R.
- Performed data cleaning and preprocessing.
- Conducted exploratory data analysis (EDA) and statistical testing.
- Built a logistic regression model to analyse customer churn.
- Evaluated model performance and identified key factors influencing customer churn.

**Amazon Product Data Analysis**, *GitHub*
- Performed exploratory data analysis (EDA) on Amazon product dataset
- Cleaned and transformed data using Pandas (handled missing values, converted data types)
- Analyzed pricing, discounts, and customer ratings to identify trends
- Created visualizations using Matplotlib and Seaborn
- Derived insights on pricing strategy and customer behavior

**Stress Level Detection Analysis**, *GitHub*
- Analyzed stress dataset using Python
- Performed data cleaning and preprocessing
- Explored relationships between variables affecting stress levels
- Visualized patterns using charts and graphs
- Identified key factors influencing stress

## Skills

**Data Analytics**
Data Cleaning & Preparation, Data Transformation, Data Validation, Exploratory Data Analysis (EDA), Statistical Analysis, Correlation Analysis, Trend & Pattern Analysis, Data-Driven Decision Making

**Soft Skills**
Analytical Thinking, Problem-Solving, Communication, Team Collaboration, Adaptability, Time Management, Attention to Detail, Continuous Learning

**Tools & Technologies**
- **Microsoft Excel:** PivotTables, Power Query, Advanced Formulas
- **Power BI:** Dashboard Creation, DAX, Data Modelling
- **SQL:** Joins, Subqueries, Views, Aggregations, Filtering
- **Python:** Pandas, NumPy, Matplotlib, Seaborn
- **R:** Data Cleaning, EDA, Statistical Testing, Data Visualization, Logistic Regression

## Education

**Bachelor of Commerce (B.Com) in Finance,** *Kannur University*
